YARN PRODUCTS

We offer a complete range of filament, spun, cotton, and blended yarns for weaving, knitting, and sustainable textile production. All yarns are customizable in count, blend, and finish, and are supplied on cones or hanks, depending on the application.

- Filament Yarns:
  - POY, DTY, FDY in various deniers, twists, and finishes
  - Available in raw white and dope-dyed colors
  - Options include semi-dull, bright, and trilobal luster, with NIM/SIM/HIM intermingling
  - Recycled DTY and FDY available on request
- Spun Yarns (100% Synthetic):
  - Virgin and recycled polyester, acrylic (hi/low bulk)
  - Slub and high-tenacity variants available
  - Supplied in cone form
- 100% Cotton Yarns:
  - Carded, combed, ring-spun, OE, and vortex (MVS)
  - Reactive and VAT dyeing options
  - Supplied in cone form
- Blended Yarns:
  - PC, CVC, PV, tri-blends, melange, plied, and hand-knitting yarns
  - Available in various blend ratios and finishes
  - Supplied in cone form unless specified
